MAIBC and APEGBC

Accredited Building Envelope Professionals (BEPs)

AIBC together with APEGBC have initiated a joint Building Envelope Professional (BEP) accreditation program, the requirements of which include, registration as an architect (MAIBC) or a professional engineer (P. Eng), completion of the Building Envelope Education Program and demonstration of 5 years of building envelope experience, three of which must be post-professional registration and one of which must be gained within British Columbia. This is also the only recognized qualifications level for BEP responsibility in the City of Vancouver. Following is the current BEP list:
